You are under arrest for an offense arising out of acts alleged to have been committed while you were operating a motor vehicle or watercraft in a public place while intoxicated or an offense under Section 106.041, Alcoholic Beverage Code. You will be asked to give a specimen of your breath and/or blood. If you refuse to give the specimen, that refusal may be admissible in a subsequent prosecution. Your license, permit or privilege to operate a motor vehicle will be suspended or denied for not less than 180 days, whether or not you are subsequently prosecuted for this offense.

If you are 21 years of age or older and submit to the taking of a specimen and an analysis of the specimen shows that you have an alcohol concentration of 0.08 or more, your license, permit or privilege to operate a motor vehicle will be suspended or denied for not less than 90 days, whether or not you are subsequently prosecuted for this offense.

If you are younger than 21 years of age and have any detectable amount of alcohol in your system, your license, permit or privilege to operate a motor vehicle will be suspended or denied for not less than 60 days.
